INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Listed on accompanying form PTO-1449 are a number of documents which may be considered material to the examination of this application, in compliance with the requirements of 37 C.F.R. § 1.56. A copy of each of these documents is provided.

Applicant reserves the right to establish the patentability of the claimed invention over any of the listed documents should they be applied as references, and/or to prove that some of these documents may not be prior art, and/or that to prove that some of these documents may not be enabling for the teachings they purport to offer.

This statement should not be construed as a representation that an exhaustive search has been made, or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested **not** to rely solely on the materials submitted herewith. The Examiner is requested to conduct an independent and thorough review of the documents, and to form independent opinions as to their significance.
